
INJURY & WEATHER INFORMATION

Parents,

As with all of the girls we coach, we are not the one who decides if they should be at a practice or game if the weather is questionable. If you decide that you don't want your player in the elements that is fine and we will always agree with your decision. If there is rain or it is raining, we still want the players at the park if you feel it is okay. We can get a lot done in the rain. We know that we will have this question eventually asked, so this should help save some calls.

This is the same for players who are injured or sore. We are not doctors and would rather the player's parents make these decisions if the player is able to play or not. We will always default to mom and/or dad or guardian in these matters. If you have any questions or concerns please feel free to ask.

If the team coach decides to call off practice it will be posted immediately on the website. www.siouxfalldiamonds.com

The team coach will also try to contact everyone as quickly as possible; however there are times when they may not be able to reach everyone in a timely manner. Please be respectful of the coaches as they have a lot of players to contact.

Always look at the website before calling if you are able.

Some or most coaches have unlimited texting if you wish to text about something. Please check with your team coach regarding texting. Set up a texting tree is also a good way to contact everyone in a short period of time.

Again, parents should decide if their player comes to practice or a game.

Thank you,

Diamond Coaches
