

2011 TEAM SPONSORSHIP INFORMATION

Thank you for considering a sponsorship of our **Sioux Falls Diamonds 14U Fire** girls fastpitch softball team. Your contribution will enable our team to compete at a very high level in the Sioux Empire region and in the many ASA, USSSA or NAFA sanctioned tournaments in the surrounding area.

Getting ready to enter its sixth year following a very successful 2010 season, we are part of the **Diamonds Softball Club** organization. The **Sioux Falls Diamonds 14U Fire** features a team with its own unique identity and players with a special blend of skills and talents all while maintaining a vision of player development, team success, and character growth as their primary mission. We have players that can pitch 55+ mph, can hit a softball off the hardest throwers in the area and get down the baseline in 3+ seconds. We can field grounders and run down fly balls from anywhere. More than that however, we have a group of really special girls who show sportsmanship, teamwork and have fantastic character. Our team objectives are:

- ◆ *To increase our skill level and knowledge of fast pitch softball.*
- ◆ *To learn leadership skills and experience teamwork.*
- ◆ *To demonstrate good sportsmanship.*
- ◆ *To have fun.*
- ◆ *And of course, to win.*

Our girls have played together for the past several years and have numerous accomplishments including:

- ◆ *2010 SEFSA 14U Competitive B League Runnerups*
- ◆ *2010 USSSA SD Open 14u Runnerups*
- ◆ **2009 SD ASA State 12u B Divisions Champions**
- ◆ *2009 SEFSA 12U B League Champions*
- ◆ *2009 SEFSA 12U B Memorial Champions*

- ◆ *2008 SEFSA 12U B League Runnerups*
- ◆ *2007 SEFSA 10U B League Runnerups*
- ◆ *2007 SEFSA 10U B Redmond Memorial Tournament Runnerups*

All this has been possible through the dedication and hard work of the players, parents, assistant coaches.

We proudly display a sponsor banner that hangs prominently behind our dugout for thousands of people to see during the course of our season, which runs from April through August.
