Dear Business Owner:

Thank you in advance for your consideration in sponsoring the Sioux Falls Diamonds Fastpitch Softball Club. We are confident that you are aware of how expensive it is to participate in any competitive sport these days. Many of our young athletes would be missing out on the opportunity to advance their skills and develop their love for the game without the support of their community. It is through the generosity of local businesses such as yours that make it possible for these young athletes to develop into responsible citizens and athletes. All of the proceeds from your sponsorship go directly towards the costs associated with operating a competitive fastpitch training facility for athletes ages 8 to 18 years old. It is our intent that the Diamonds Softball Club develop these athletes so that they may one day be afforded the opportunity to follow their dreams and work to gain the skills and character needed to play at the collegiate level. With your sponsorship, they will be heading in the right direction. Your consideration of any of the following sponsorship levels would be greatly appreciated:
